<Notes>

- Depending on the scanner model, this feature cannot be used.
- This function cannot be used with Long Paper, Control Sheet, Sub Area, Flatbed, Automatic Simplex, or Automatic Duplex.

- The supported maximum paper length differs according to the resolution, model, etc.
- This function cannot be used with Continue Scan.
- Do not open the scanner cover while the Image Preview Dialog is displayed. If you open the cover, the raw image data for Auto Rescan will be reset.
